Dear Sirs

Patents Act 1977: Search Report under Section 17(5)

I enclose two copies of my search report and two copies of the citations.

Plurality of invention

I consider that your application relates to more than one invention as follows:

- i) The invention as defined in claim 1 characterised by link elements having abutting shoulder portions
- ii) The invention as defined in claim 27 characterised by link elements having male and female portions

My search report relates to the first invention only. If you want the other invention searched, you should file a further Patents Form 9/77.

Publication

I estimate that, provided you have met all formal requirements, preparations for publication of your application will be completed soon after **6 April 2004**. You will then receive a letter informing you of completion and telling you the publication number and date of publication.
